

Website Accessibility Statement

Leadership For Execs is committed to ensuring digital accessibility for all users, including individuals with disabilities. We strive to provide an inclusive and user-friendly experience on our website, in accordance with the Americans with Disabilities Act (ADA) and Web Content Accessibility Guidelines (WCAG) 2.1.

Our goal is to ensure that our website is accessible to everyone, regardless of their abilities or disabilities. We continually work to improve the accessibility of our site and to enhance the user experience for all visitors.

Measures We Are Taking:

To achieve our accessibility goals, we have implemented the following measures:

1. **Regular Audits:** We conduct regular accessibility audits to identify and address potential barriers.
2. **Training:** Our team receives ongoing training on accessibility best practices and inclusive design.
3. **Feedback Mechanism:** We encourage users to provide feedback regarding accessibility issues they encounter. You can reach us at [contact email or phone number].
4. **Assistive Technologies:** Our website is designed to be compatible with assistive technologies, including screen readers and keyboard navigation.

Accessibility Features

We strive to incorporate features that enhance accessibility, including but not limited to:

- Alternative text for images
- Clear and consistent navigation
- Resizable text
- Sufficient color contrast
